Vendors MUST provide small tasting plates of their competition dish for festival guests that are to be sold for \$1.00 to \$5.00 per sample. Vendors are strongly encouraged sell larger versions of their competition dish (full meals) and sell other meals as well.

Two awards will be given to one or more vendor(s):

- 1) Wild America Local Food Cook Off Champion
- 2) People's Choice Award

The winner of the Wild America Local Food Cook Off Champion award will be determined by a panel of judges who will taste a sample of each competition dish, discuss the dish with the food vendor, and select winners based on taste, presentation, and amount of food in the dish that is local and sustainably produced (certified organic food is preferred).

Festival guests will have the opportunity to vote for the winner of the People's Choice Award.

OTHER ACTIVITIES

Education through classes and workshops is an integral part of the Wild America Nature Festival. Participating vendors are encouraged teach workshops or classes at the festival by separate application.

SALES TAX COMPLIANCE

Vendors are individually responsible for collecting and reporting New York State Sales Tax if applicable. Most food items for human consumption are not subject to sales tax in New York State. The best way to secure your NYS Tax Certificate, if required, is to go online and we urge you to allow plenty of time for processing. Go to: www.nys-permits.org. Note that the State requires you to apply no sooner than 90 days and no later than 20 days prior to the event.

FOOD PERMITS

Food vendors MUST obtain a Temporary Food Permit from the Chautauqua County Department of Health. The Wild America Nature Festival will take place outside and we will not provide vendors with kitchen space. Please plan accordingly.

We recommend that food vendors prepare cook-to-serve meals (ie: meals that are not pre-cooked, refrigerated, and re-heated – excluding baked goods like breads, cakes, and pastries) unless you have a mobile kitchen (or food truck). Vendors are required to meet all permitting requirements of Chautauqua County with their own materials and supplies. Please call the Chautauqua County Department of Health AS SOON AS POSSIBLE if you have any questions or concerns about their permitting process.

DO NOT arrive at the festival without completing the permitting process. The Health Department will not allow you sell anything without a permit! Fees double if not processed one week in advance.
The phone number for the Chautauqua County Department of Health is 716-753-4481.

INSURANCE COMPLIANCE

Food vendors will be required to have their insurance agent mail/email/fax a certificate of insurance to us, *AFTER you are accepted by the festival. If we do not receive your certificate by June 30th we reserve the right to give your space to another vendor.*

OTHER TERMS AND CONDITIONS

The Wild America Nature Festival, the Roger Tory Peterson Institute of Natural History, and Panama Rocks Scenic Park consider your application a commitment to attend and participate if you are selected. Accepted applicants are expected to participate with the full understanding of all the terms and conditions listed.

Additional festival information will be sent via e-mail to accepted applicants at least one month prior to the festival date. Applicants are urged to print hard copies of both the Prospectus and Contract and retain one copy of the Contract for their own files.
